

El Lenguaje Corporal de los Perros

Los perros se comunican principalmente mediante su cuerpo. Identificar sus posturas nos ayuda a predecir comportamientos y mejorar la convivencia.

Relaxed posture, mouth closed, tail held upright		RELAXED "I'm friendly!"		Relaxed posture, mouth open, wagging tail
Relaxed, exposing belly		TRUSTING "I trust you!"		Relaxed, exposing belly
Ears turn sideways, body tense, tail low		NERVOUS "I'm worried and unsure"		Avoids eye contact, body tense, tail low
Crouching or lying, head held low, tail tucked tightly		SCARED "Please leave me alone"		Cowering and trembling, tail between legs
		ANGRY
